**At-large Elected Faculty Senator**  
**Spring 2022**

Membership of the University Senate includes three elected faculty senator positions designated as at-large elected faculty senator positions representing the entire membership of the Corps of Instruction. Each position is for a three-year term with service staggered such that an election for one at-large senator position is required each year.

This year's election will identify an individual to serve as the at-large, elected faculty senator for a three-year term commencing April 22, 2022.
