<p>I. Nondiscrimination clause</p>	<p>Qiana Wilson -</p> <ul style="list-style-type: none"> Not advising against it but are we in a place to make a political statement? <p>What is the level of concern?</p> <ul style="list-style-type: none"> State level has been the one who have made the initial barrier <p>The floor is open:</p> <ul style="list-style-type: none"> We want to continue action Chance of President shooting it down due to the political climate <p>Flowchart of how a Motion/ Resolution is passed is shared with the committee</p> <ul style="list-style-type: none"> University Senate seemed supportive Motion to add vote to Agenda 	<p>Wilson- looking further into other universities actions</p> <p>Motion to amend – Voting on the nondiscrimination clause</p>	<p>Bring to Senate at next meeting</p>	
<p>Vote Discussion</p>	<p>Move to vote - discussion</p> <ul style="list-style-type: none"> GCSU clause is pulled up Ethnicity is also excluded <p>SGA clause is read by the secretary</p> <ul style="list-style-type: none"> Includes gender identity and gender expression Would we like to adopt this? SGA would pass a resolution to include color for parallelism in the statements SGA's clause was passed 3 years ago To pass this SGA Senate could have it confirmed in 3 weeks 	<p>SGA will pass a resolution to update their clause to include Color. This would make SGA's cause the most comprehensive and therefore the best to adopt for the university.</p> <p>SAPC will put this on the Agenda for the upcoming US meeting</p> <p>Committee strives to be a voice of change for University but we are just recommending that change not</p>		

	<ul style="list-style-type: none"> • University Senate would take longer but the sooner it is on the agenda the better <p>Points made that the committee should be fully aware of the differences of sex, gender, gender identity, and gender expression</p> <ul style="list-style-type: none"> • Each are defined and clarifications are made • It is agreed that each should be included <p>The Board of Regents policy also includes information that is not included in our clause.</p> <p>But the committee feels that the best justification for the change is that the Students have already changed the clause within their own power</p> <ul style="list-style-type: none"> • Concerns brought up again about the legal department • If we go through this an it was ultimately struck down by legal then nothing has changed • The committee should take positions based off campus beliefs and voice instead of the current legal position <p>SGA clause is read again. Passed including Color which is a pending change in SGA.</p> <p>Unanimous passing of motion to adopt the language of the SGA clause including color.</p>	<p>Recommended change: “...including but not limited to age, color, race, gender, religion, non-religion, sexual orientation, disability, veteran status, genetic information, gender identity, gender expression, or national origin.”</p> <p><u>What is the deadline for the Agenda?</u></p>	
<p>2. The HUB</p>	<p>Open discussion: What have been the big changes of the HUBs organization?</p> <ul style="list-style-type: none"> • Name changed from student affairs to division of Student Life • Not much has changed within the HUB besides some personnel changes <p>Bright House</p> <ul style="list-style-type: none"> • Located at Lafayette Square • Right behind Old Tyme behind student housing • Provide forensic exams • Legal/criminal advocates • Counselor 	<p>Continue to bring it up on the agenda</p>	

	<ul style="list-style-type: none"> • How did they get here? There were conversations over the years with the DA over the fact that we did not have a crisis center • CJCC- provides the grant • Southern Crescent is the umbrella <p>What to do first when a student talks with a mandatory reporter?</p> <ul style="list-style-type: none"> • Identify yourself as a reporter • Complete the reporting form first • Let them know the resources <p>Many people are unaware that they are reporters.</p> <p>Why was this change made? Specifically making the women's center a mandatory reporter area</p> <ul style="list-style-type: none"> • The change is supportive services removed from women's center • USG came here to work with us to move us out of supportive services • This seems to be the way DOJ is moving <p>Concern over access to services and knowledge of services</p> <ul style="list-style-type: none"> • Working with public safety for Student transportation • Faculty feel helpless in this situation because there is no control over the situation • Where is the level of trust? <p>How can we improve the situation?</p> <ul style="list-style-type: none"> • Counseling services was the only place before the women's center • Bright House is even more confidential due to its location off campus • Campus police are also reporters so having them transported to the bright house would not be ideal <p>Counseling Services-</p> <ul style="list-style-type: none"> • Is trained but women's center was preferred to students • Walking distant on main campus <p>Why can't we have counseling on main campus?</p> <ul style="list-style-type: none"> • The center provides protection for the students and counselors • Must have a director and all safety nets <p>Concerns over the timing of accident and check up</p>		
--	---	--	--

	<p>How can we have more people who do not have to mandatory report?</p> <ul style="list-style-type: none"> • Very few and not easy to gain • Emily had it through a grant <p>The HUB has created a level of personal connection on main campus and the fact that this committee is so confused is alarming</p> <ul style="list-style-type: none"> • How is a student expected to understand this? • Others must be more confused on campus since we have been presented all facts. <p>The Title IX office is responsible for helping to inform the campus. They are working through details before fully alerting campus.</p> <p>Funding for the HUB: 2 employees were on a grant which ended last month</p> <ul style="list-style-type: none"> • There is an option to reapply • Changes with title IX also affects this • Student worker budget in VP's office given to the HUB to help keep it open <p>What student services would be lost if we can not fund these 2 positions?</p> <ul style="list-style-type: none"> • Project Brave- educational programs on allyship, domestic violence intervention, and assault • LGBTQ+ professional services would be lost • Star ally training • Lose all the institutional advocacy for LGBTQ+ • Support for victims referred through Counseling • Support for those who have experienced abuse outside of USG system • No confidential employee for assault survivors • Specialized education in trauma and support • Students who need understanding of process <p>Is there a plan to put further a plan for budget request?</p> <ul style="list-style-type: none"> • Nothing yet • Conversation must be brought up
