<b>2. Parking Discussion</b>	<ul style="list-style-type: none"> <li>• Update given by John. Last year we requested approval from USG to increase parking fines as \$30 did not seem to be having an effect. Made several changes to the fee structure for parking fines after approval was received. First 2 weeks of school were warnings but since then fines have been issued. To date &gt;1900 tickets have been issued this semester with fines totaling \$20,275 thus far. Residents= 740, Commuters=564, Employees=92. Increase in need for ADA parking spots. Caution to remember that these are not lot specific. Also having issue with guest parking as some want to reserve certain lots for their guests. Working with PTAC to resolve this. Yard signs for “employee only” have been placed as well which seem to be working well. Noted that we now have 6 paid spaces in front of Bell Hall. Desaree asked about scooter but that has not been explored since issues in 2020 with similar services in Atlanta.</li> </ul>	<ul style="list-style-type: none"> <li>• Update only</li> </ul>	<ul style="list-style-type: none"> <li>• None</li> </ul>
