Date: January 28, 2011
To: Martha Colvin, Assistant Dean CoHS
From: Deborah MacMillan, Chair CoHS Curriculum Committee /DM
RE: Completed Business COHS Curriculum Committee 1/28/11

The curriculum committee met today to review and discuss the following items, which we now sent to you with our recommendation for approval.

1. Formal Proposal for a stand alone major in Exercise Science in the Department of Kinesiology
 - a. Degree: Bachelor of Science

2. Proposal for degree program changes in the Department of Kinesiology
 - a. Implementation of a revision to the B.S. in Health Education: Community Health & Human services major which will include:
 - i. Change of name for the major
 - ii. Addition of two new courses and modifications in title and content of some existing courses.
