Re: Minor Name Change

Minor name change effective AY 2018-19 Catalog.

We are requesting to change the name of the Minor in Community Health to a Minor in Public Health. When we received BOR approval for a name change for the B.S. in Community Health to a B.S. in Public Health (2016), we did not request the Minor name change at that time. The current program of study will remain the same. Please let me know if I can answer any additional questions.
