**Proposal for New Minor: Sculpture in Expanded Media, Department of Art,
GCSU**

Request: The Department of Art requests the creation of a new minor in "Sculpture in Expanded Media," to be active in spring, 2018

Rationale: To address student need and to increase enrollment. We have received requests from students for this minor in Sculpture, and this can help in the department's efforts to generate visibility, create interest, and raise enrollment in one of our newest studio areas. This minor will also compliment the existing studio art minors offered by the Department of Art, and replaces the deactivated minor in Fiber Arts.

No additional faculty or resources would be required in the creation or application of this minor.

Course of study for the minor, 15 hours with grades of C or better, completed from the following (minimum of 9 hours must be upper division and all associated prerequisites apply):
